

REMARKS

Claims 1-11 are all the claims pending in the application. Claims 1-5 are rejected, and claims 6-11 are withdrawn.

Claims 1-5 were examined on the merits. The only rejection is an indefiniteness rejection under §112, second paragraph. However, the foregoing amendment to claim 1 is believed to overcome the §112 rejection by clarifying that the “bottom region” is a region of the tire, and, thus, place all of the claims in condition for allowance.

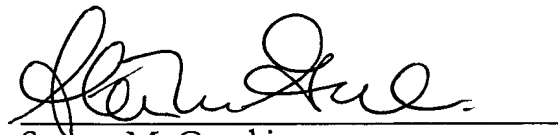

In view of the preceding amendments and remarks, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby earnestly solicited. If there are any points remaining in issue that the Examiner feels may be best resolved through a personal or telephonic interview, he is kindly requested to contact the undersigned attorney at the local telephone number listed below.
